

"Silva Dolla" Tarpon

FRIDAY, AUGUST 3-SATURDAY, AUGUST 4, 2012. The "Silva Dolla" is the only tarpon tournament in Georgia and the longest running tarpon tournament in South Carolina and Georgia. We are fortunate to have these spectacular game fish migrate into our waters during the summer months. The general size of Georgia tarpon ranges from 50-150 pounds, and they are spectacular quarry on any type of tackle. The entry fee includes two days of fishing, beverages and box lunches, tournament shirt, Captains' meeting cookout, awards dinner, continental breakfast at Ogeechee Outfitters Friday and Saturday mornings, and all tackle and bait for chartered boats. The entry fee is \$150 per person for anglers using their own boats. If an outside guide is needed for the private boat, the fee for the guide is \$300 per day. The fee is \$450 per person for anglers using Club-owned boats (two are available).

Hunt for Big Red

SATURDAY, OCTOBER 15, 2011. The month of October is highlighted by the migration of giant red drum into Georgia's coastal waters. Red drum range in size from 25–40 pounds and are caught in Ossabaw and St. Catherine's Sounds. The entry fee is \$75 and includes a continental breakfast, boxed lunch, t-shirt, and refreshments. This fee does not include charter boat fees. For chartered boats, bait is also included in the fee. An awards dinner will be held in the evening.

Fish with Friends

SATURDAY, OCTOBER 29, 2011. Fish with Friends is a special day of fun and fishing for special needs children of Richmond Hill. Whether it is a two-inch bluegill or a ten-pound catfish, all catches are guaranteed to bring a smile to our very special friends. All anglers will enjoy a morning of fishing and then retreat to Ogeechee Outfitters for a picnic lunch, live entertainment, and a trophy presentation. Checks for donations made payable to "Fish with Friends" are accepted throughout the year at Ogeechee Outfitters.

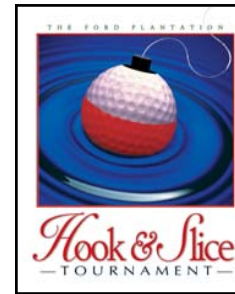

Great Ogeechee Trout

FRIDAY, NOVEMBER 18, 2011. This tournament highlights the spotted sea trout—great light tackle quarry that reaches its peak in-shore population during October and November. These fish are also great table fare. Join us for this fun fishing tournament and enjoy a great Low Country autumn event. The \$75 entry fee includes a continental breakfast, boxed lunch, hat, and refreshments. This fee does not include charter boat fees. Awards will be presented at Ogeechee Outfitters at the conclusion of the weigh-in.

Wing and Clay

SATURDAY, FEBRUARY 25, 2012. The Wing and Clay Tournament combines a quail hunt in the morning and a challenging sporting clay course in the afternoon. All participants shoot in teams of two with the shotgun gauge of their choice. The combined score of both events determines the winning team. The entry fee for this event, which is held at Dorchester Hunting Preserve, is \$395 and includes lunch, dinner, tips for guides, and clays.

Hook and Slice

FRIDAY, APRIL 27, 2012. The Hook and Slice Tournament combines fishing and golfing skills into one wild competition. This is the seventh year for this tournament, and it seems to get crazier and more fun every year. We can accommodate up to 10 foursomes. The tournament fee includes a boxed lunch, t-shirt, gift bag with tackle, and awards dinner that evening. Teams will have 25 minutes per hole to fish and golf each hole and five minutes between each hole. The cost is \$100.

Triple Crown

SATURDAY, JULY 7, 2012. The Triple Crown Tournament is a fun family fishing tournament that spotlights three of our most popular migratory species: Spanish mackerel, king mackerel, and triple tail. All of these fish can be caught in our near-shore waters and are great fun on light tackle. Some interesting fishing strategy will need to be applied to come up with all three species in a single day, and the first boat that accomplishes this feat will be awarded a \$1,000 cash bonus! There will also be individual awards for the largest fish in each of the three categories. The entry fee is \$75 per angler and includes lunch and a special tournament t-shirt. This fee does not include charter boat fees. For chartered boats, bait is also included in the fee.
